

Permanently mounted lock to prevent seal tampering

#5900 - Powder Coated White

#5950 - Stainless Steel

Available in stainless steel or powder coated white.

Protect Your Trailer Load and Security Seals with the Seal Guard Lock:

- Permanently installed on trailer door covering security seal
- Secured with ENFORCER® ABLOY® High Security Padlock
- Works with plastic, bolt, metal and cable seals
- Easy to install and use
- Designed to prevent unauthorized opening of trailer doors in addition to seal protection
